### Pothos Foetidus Homeopathic Medicine for Allergy

Shailendra Sharma, Jatin Shaha and Divya Rawal\*

Shri Bhagwan Homoeopathic Medical College and PG Institute Aurangabad, Maharashtra

#### ABSTRACT

It is commonly known as Skunk cabbage. It is prepared from root. The drug was earlier reported by T. F. Allen, A. L. Blackwood, W., J. H. Clarke, C. Hering and others. The proving details are in the book "Homoeopathic Drug Provings, Volume 2", published in 2007 by Central Council for Research in Homoeopathy (CCRH). The re-proving was done by CCRH in 2001-2003 at (i) Drug Proving Research Unit (H), Midnapore and (ii) Regional Research Institute (H), New Delhi. 15 provers took part in the proving. 7 of them were controlled provers. A combined materia medica is given below which is compiled from different materia medica (s).
